

# New Zealand SLT Tracheostomy register – July 2023

This register provides speech-language therapists with a list of Level 4-6 Tracheostomy SLTs across the country. The register was started in March 2023. This list is updated yearly. Sign off at each level is managed according to sign off level (see NZSTA Tracheostomy Competency Framework). For the NZSTA registry, evidence must be sighted by the NZSTA.
