Terms and Conditions for Payment of Membership Fees

The new terms and conditions for payments reflect the administration costs of processing payments and the extra work needed for certain types of payments.

Single payments of total fees

Online payments or cheques for total fees

- There are no additional fees. Members pay only the standard membership fee
- Renewal of membership can only be refunded or cancelled within 30 days of renewing. There is no refund of Application fees.

Credit card payments of total fees

- There will be a 3% charge on all credit card transactions to reflect the Merchant Fees and administration costs required for processing.

Payment by instalments

- A setup fee of \$15 will apply if paying by instalment. This covers the administration costs of processing.
- Members can decide how much they would like to pay and the frequency of the payments. The NZSTA recommend an automatic payment to ensure payments are not forgotten. It is the responsibility of the member to make sure that instalments are successful and fees are paid.
- A default fee of \$50 will be added to any account with membership fees still owing as of 30th September of that membership year.
- Membership fees cannot be refunded or cancelled under the instalment payment option.
- We do not accept payment of instalments by credit card.
