Invitation & Call for Papers

Brisbane will welcome you in 2019 for a conference that will be a great opportunity for delegates to experience **Engaging, Collaborating and Empowering** presentations and discussions.

The 2019 Conference is a joint event for Speech Pathology Australia (SPA) and the New Zealand Speech-language Therapists' Association (NZSTA).

The Conference Planning Committee (CPC), comprised of representatives from both SPA and NZSTA, wants you to **engage** with the evidence and **collaborate** with peers, to continue to **empower** your practice with a confidence that is informed by the evidence base. The conference will provide opportunities to:

- Develop connections and relationships with members of our profession from both sides of "the ditch";
- Engage and collaborate with practitioners and researchers in a process of knowledge exchange; and
- Increase confidence in your professional role, responsibilities and relationships when providing care to clients.

The CPC warmly invites you to Brisbane in 2019 to connect with others, discover new evidence and build your enthusiasm to look to future opportunities in your professional work. We look forward to seeing you there!

How to Submit

From **Wednesday 13 June 2018** guidelines and details on how to submit an abstract can be found at: www.speechpathologyaustralia.org.au/professionaldevelopment and **2019 National Conference**.

Submissions must be received by **Wednesday 19 September 2018**.

You will be notified about the success of your submission by **Monday 17 December 2018**.

Submissions accepted by the Scientific Program Sub-committee will be grouped under nominated themes for presentation at the conference. This will assist delegates to plan attendance at sessions that match their professional needs.
