Dear Colleague,

You are receiving this email because you have requested to be on the ANZAHPE Conference mailing list or have submitted an abstract. If you no longer wish to receive updates on this year's event, please reply "REMOVE".

**Sunday 1 July – Wednesday 4 July, 2018**

**Hobart, Tasmania**

This year's conference promises to be our most exciting to date with plenty of opportunity to network with your peers and conference presenters.

#### **Program**

Over 450+ abstracts were submitted and the scientific committee is currently preparing the program schedule based on reviewer recommendations. It is hoped to advise authors of the status of their submission in early March and to finalise the provisional program in late March.

Pre-Conference workshops are planned for Sunday 1 July with Conference sessions Monday 2 to Wednesday 4 July, 2018.

#### **Confirmed Invited Speakers**

We are delighted to announce our distinguished set of keynote speakers who have accepted invitations to speak at this year's conference.
